

WEED ALLERGIES

If you suspect you have hay fever or allergy to weed pollens but aren't sure which weeds are the big offenders, you'll see the most common below. The good news is that you can teach your body to tolerate pollens so symptoms are a thing of the past.

COCKLEBUR

DOCK/SORREL

ENGLISH PLANTAIN

KOCHIA

LAMBS QUARTERS

MARSH ELDER

MUGWORT

PIGWEED

RAGWEED

RUSSIAN THISTLE

SAGEBRUSH
